

# Clothing Donation Drop Box

In our upper parking lot near the playground you may have noticed a little gray house labeled “**Clothing Donation Drop Box**”. Taylor Early Childhood has been participating in and benefiting from this program for quite some time. The dropbox money has helped fund many events for our school including Fall Festivals, Santa visits, etc.

**How can you help?** Below are some tips on clearing out your closet and helping others enjoy your unwanted clothing and textiles.

- Clean out your closet: Prepare the clothes. While you don't have to go to any particular trouble, the following things can help a lot: 1) Check all the pockets. 2) Wash the clothing if you can. 3) Please make sure pairs of shoes are in the same bag so they don't get separated in transit.
- Donate bath towels, blankets & sheets. Even towels and bedding that are threadbare can have a second life as they are used for cleaning up and recycling.
- Yard sale leftovers? We'd love to have them.

**PLEASE PUT YOUR DONATIONS IN BAGS, (plastic, paper, recycled) and drop them off in our little gray house in our upper parking lot.**

If you have any questions, please contact our office at 636-479-5200, option 5.

**THANK YOU FOR SUPPORTING TAYLOR EARLY CHILDHOOD!!**
