Dunklin R-5 School District Parents/Guardians,

The Dunklin R-5 School District is adopting the shortened quarantine recommendations made by the CDC and the Jefferson County Health Department.

Contacts of those infected with the virus will be asked to quarantine for 10 days if they remain symptom-free. They must continue to monitor their symptoms and wear a mask for the following 4 days.

Contacts may also return after 7 days if they are symptom-free and test negative for COVID. The earliest this test may be taken is 48 hours, before the planned quarantine discontinuation. Upon returning, they must continue to monitor their symptoms and wear a mask for another 7 days.

If you are currently under quarantine and the timeline for your return has changed, you will be receiving a call from a school nurse or administrator.

Respectfully,
Dr. Clint Freeman
Dunklin R-5 Superintendent of Schools
